

## DROP OFF PROCEDURES

The front of the building facing Southridge Blvd. is a highly congested and dangerous area for dropping off students.

Parents are asked to drop their sons and/or daughters off in the student parking lot. Please proceed past the school to 36<sup>th</sup>, take a right and enter the student parking lot to drop off your child.

We have been working collaboratively with the Kennewick Police Department, looking for a solution to protect our students and parents as they arrive at school in the morning. At the end of those meetings, it was decided that closing the entrance to the visitors parking roundabout and re-routing parents to the back of the building is the best solution at this time.

We apologize for any inconvenience this may cause for you. We cannot allow an unsafe condition to continue to exist. We do not want our patrons to be ticketed or face unsafe situations where car accidents and car/pedestrian accidents may occur.
