**Senior Yearbook Portrait Guidelines & Requirements:**

The following guidelines will assist a senior and his/her photographer in submitting an appropriate photograph for the yearbook:

1. The portrait shall be of the graduating senior **only**. **No props will be allowed in the portrait submitted to the yearbook for the senior portrait pages; this includes hats, musical instruments and sports paraphernalia. Clothing in pictures must meet school dress code. If you have a concern regarding a pose or the acceptability of a photo please contact the SHS yearbook advisor. (It is highly recommended that you verify the acceptability of a pose or photo concept prior to visiting the photographer.)**
2. The portrait must be a **full color** picture. **Black and white or other duotone pictures will not be accepted.**
3. **Picture dimensions must be PORTRAIT (2” wide, 3” tall) NOT LANDSCAPE (3” wide, 2” tall). This is a 2 by 3 vertical aspect ratio (standard wallet size format) and must be submitted in digital format. The yearbook staff reserves the right to crop pictures, if necessary for proper layout and design considerations.**
4. **Photo submissions will not be returned unless prior arrangements are made with the SHS yearbook advisor.**
5. If a senior chooses a head and shoulder portrait, the **head must not exceed 1 1/4” from the chin to the top of the hair.**
6. Seniors who do not submit a senior photo will have their school portrait used in the yearbook. If they do not have a school portrait taken, their photo will not appear in the senior portrait section of the yearbook.
7. A list of all received and accepted photos will be posted on the bulletin board outside the library during the first week of December. Notice will be placed in the bulletin and on the school web site. It is the responsibility of the graduating senior to verify that their name is correct and their picture has been accepted.
8. Portraits must be submitted by **Friday, November 9th 2018**. The Yearbook Staff will retain the right to make the final selection of the picture to be published and notify seniors (that are submitted on time) no later than **Tuesday, November 20th** if there are any issues or rejections. **The Southridge High Yearbook staff reserves the right to determine the acceptability of all submissions based on the above criteria, as well as other legitimate concerns.**
9. In the event a picture is rejected, the senior will have the right to appeal the decision of the Yearbook Staff by submitting a letter to the yearbook advisor no later than Friday, **November 23<sup>rd</sup>, 2018**. The regular appeal process will be followed. The order for appeals follows:

1. Yearbook Advisor 2. Building Principal 3. Director of High Schools 4. Superintendent 5. School Board
