SOUTHRIDGE HIGH SCHOOL PARKING/DRIVING EXPECTATIONS

Southridge High has initiated this parking program for several reasons. First, to try to limit non Southridge High School persons and their vehicles from being on Southridge High School's campus. A small percentage of students race around the parking lot in a reckless manner and a parking sticker will help identify those careless individuals. Lastly, the parking problem needs to be addressed. Some students find the need to park in handicapped areas, fire lanes, or in areas designated for teachers and visitors. The Student Parking Lot is located behind the gym. DO NOT park in front of the school - tickets are written daily in teacher & visitor parking. Southridge High School is fortunate to have ample parking for all students and staff members. Students need to learn to park in an organized, courteous manner.

The static cling parking permits will be displayed on the lower left corner of the front windshield. Parking violations consist of a \$20 fine (\$10 if paid within 24 hrs.) unless in Staff/Visitor, that is \$25. with no discount and may include the following:

- > Speeding and reckless driving.
- > Improperly parked car on curb, island, etc.
- > No parking sticker displayed.
- > Parked in handicapped area or fire lane.
- > Double parking.

(Repeat violators will be subject to consequences, up to the towing of vehicle at your expense.)

- > Parking in visitor parking (front of building) OR staff parking will result in a \$25 fine.

Please sign below indicating that you have read the Southridge High parking and driving expectations.

Student Driver Signature

Parent or Guardian Signature - THIS SIGNATURE IS NEEDED IF YOU ARE NOT RESPONSIBLE FOR PAYING YOUR OWN TICKET.
